the same thing when you talk to all women, especially the hottest ones. Talk to them as if you're talking to another guy, but politely and with no cursing.

Try not to aim your dick at them. Watch guys enough and you'll see how thirsty they are because they aim their dicks at the girls they are checking out. They'll stand together but open their bodies up aiming their crotches right at the girls. Guys do this whether talking to each other or not. This is creepy to the girls who see it, consciously or subconsciously. It acts like a repellent to them. Sounds funny and weird, but it's so true. Even when you're talking to girls, don't aim it right at them. Don't be that dick!

Always be aloof and never look interested. Only look happy, smiling and joking with your wing-men or wing-women (the base of your Perfection Pyramid, see Rule 3 below). Or just look busy and pre-occupied. Never drink too much alcohol; just a light buzz is perfect. You must get rid of the nuisance batch before you go out (unload your weapon by beating off). It makes you naturally content and in no desperate need for ass that night. It's absolutely necessary if you're a horny guy. As one of my mentors once told me, "I'll beat off 3 times a day if I have to, but I won't show any thirst or succumb to thirst and settle for the 7 or 8". I strongly repeat again, "**Show No Thirst**"! The payback is immeasurable.

### **RULE 3.**

## **BUILD PERFECTION PYRAMIDS.**

The next lesson is to **Build Perfection Pyramids** (aka Pyramids of Pussy or Pussy Pyramids). What I mean by **‘Perfection Pyramids’** is just what you might think it is. It is a form of multi-level marketing with girls, not business customers. You make friends with girls who introduce you to their more perfect, hottest girlfriends. Thus, the **Pyramid** building leads to **Perfection**, the beautiful 90%er. (Guys can make up a Pyramid, too, but it’ll usually end up being one of their ex girlfriends who will want you. That’s not what you want. Stay away from that drama unless the guy says it’s OK and she is a 90%er.)

You can only be friends with girls under a 9 rating. You must never show thirst for the girls under a 9 rating. This especially includes the 7’s and 8’s. In my mind, the 7’s and 8’s are hot enough to bang, but not hot enough to marry like the 9+s. **Never flirt or hit on them . . . Don’t EVER do it!** Never let them think you want them. Put them in your ‘step-sister category’ and think of them as such. You don’t even think of banging a step-sister, it’s not illegal, but it’s just somehow wrong. Don’t expect 6’s and under to lead you to the 9+s. The 7’s and 8’s are the best bases of your Perfection Pyramids. The 7-8+s will always have hotter girlfriends. Their hotter more beautiful friend, the 9+, will ultimately ask about you to the base of your pyramid. Or your pyramid bases will talk about you to them. These are your goals and they happen almost every time.

In addition, the 7-8+s are pretty enough to make you look good if they are hanging out with you and your buddies. If a random 9+ sees a pretty girl in your group, the 9+ will wonder what you have going on. It peaks their interest or invokes their competitive side to one up the 7-8+. There are many dynamics when hanging out with 7-8+s and most of them work extremely well in your favor. Again, trust me on this. Just never show them thirst. Beat off twice that day if you have to, but don't fall to their advances.

As for working the Perfection Pyramid, follow along very closely. The base of your pyramid, the 7-8+ will introduce you to her other 7-8+ friends. All have become your friends and are added as another level within your Perfection Pyramid. Or you branch them off to form their own Perfection Pyramids. Surprisingly, they all will honestly say you've never hit on them because you showed no thirst. This automatically sells you to their hot 9+ friends. If you ever showed thirst to, or even worse, hooked up with the bases of your pyramids, this will likely turn off their 9+ friends. Don't do it no matter what!

Also, local 7's and 8's will brag about getting you (as you are now the 'Prom Queen', see Rule 4 below) and word travels fast. If you do flirt or hook up with the bases of your Perfection Pyramids or bang random local sub 9's, you'll never know why the hottest girls in town ignore you or blow you off even if after they showed some initial interest. It is because they do their due diligence on you, quite well I must say. Due diligence is the research and background checks 9+s
